

Lectors & Commentators

Ministers of the Word help bring the Word of God to parishioners as they proclaim the word of God at Masses and special liturgies. They impart the spirit of the Word in a reflective way as they read the first and second readings.

Commentators are responsible for reading announcements before the beginning of Mass. In our parish, this ministry includes leading us in our petitions during Mass.

Please contact Angela Miller at 524-2412 for more information on this ministry.
