

MUSIC MINISTRY
Dick Stransky, Director of Liturgical Music
524-2412 / ext. 17 stransky@rucls.net

St. Augustine (354-430) said famously that “to sing is to pray twice.” Augustine reminds us that the words of our hymns are prayers (often direct quotes from the Bible), and when we sing them, we add another dimension of honor and praise to our song—we pray twice.

The Music Ministry program at Sacred Heart encourages the “full, active, and conscious participation” of the congregation by providing musical leadership at our liturgies. Everyone is encouraged to sing, not just the choir!

If you would like to be part of that musical leadership, we have the following options:

Adult Choir: Our Adult Choir (teens on up) provides music at our weekend liturgies and special feasts as they bring a prayerful musical atmosphere to services. Joining this choir does not require an audition and new voices are always welcome.

Children’s Choir: The Children’s Choir typically sings for one of the Christmas Eve liturgies and actively rehearses during the season of Advent. In previous years, the Children’s Choir was also active during Lent and Easter when enough children expressed an interest. No audition is necessary, but being able to read verses at the pace of the music is extremely helpful. Grade 3 and up (excellent readers in grade 2 are also welcome).

High School Choir: The High School Choir typically sings for one of the Christmas Eve liturgies and at other selected liturgies during the year. Teenagers/young adults are also encouraged to join the Adult Choir.

Instrumentalists: We typically utilize the piano, upright bass, guitar, and hand percussion; however, other instruments are welcome as well. In the past we have had organ, violin, viola, cello, harp, flute, trombone, clarinet, saxophone, and trumpet. What do you play?

If you feel called to minister through music and are willing to share your talent(s), or would like more information, please call Dick Stransky at 524-2412.
