

Do you want to reduce your tuition?

Scrip is the program for you!

Sacred Heart is excited to continue our participation in the Great Lakes Scrip Program. If you are not already using Scrip, we encourage you to take a closer look at how Scrip helps you pay tuition and contributes to our parish.

How Scrip Works

- You, your family and your friends buy retail gift cards through our scrip program at face value.
- You can choose from nearly 400 national retail stores where you already shop. Find the full list on the website **shopwithscrip.com**
- Place your order online after you have established an account or complete an order form and return it to the school or parish office.
- Cards will be available the following week.
- Sacred Heart School and Parish receives 1-13% of the face value of your card.
- You pay no more than the face value of the cards you order.
- 1/3 of the profits will be credited to your family's tuition account at the end of each semester.
- There are informational videos available on the shopwithscrip.com website.

Placing your own order on the computer allows you to see all 6 pages of participating retailers and all card denominations. Our paper order form will list only the most popular scrip cards for our area. Orders will be due the second and fourth Fridays of each month. Please email or call with questions.
