Dear parents,

In light of our current situation in this time of COVID-19, Sacred Heart parish is working to ensure the best Faith Formation year possible while at the same time keeping everyone safe. We have come up with a plan that we hope can accomplish both of these.

While all faith formation years are important to our students we believe that the Sacramental Years are of the utmost importance. For a child to receive First Reconciliation and First Communion they must attend both 1st and 2nd grade. In order to receive Confirmation the students must attend 8th and 9th grade. These classes will meet again in person on Wednesday nights normally.

For grades 3-7 we are going to be doing something different this year. We will not be offering weekly classes for these grades this year in the school. Therefore, with our support, we are asking for the parents' help in being the primary educators of these students this year. (This will also help us keep our numbers down in an already crowded school.) If you are interested in this program please fill out the normal Faith Formation registration form. Most of the information you will need will be found online through Ignatius Press. We will send you all of the materials and all of the information you will need once you register. Different prices for these classes are listed on the back. **We will still have catechists available for those families to reach out to if there are questions.** Additionally we will also ask for these students to attend 5 in person classes as well throughout this year, so that their teachers can check-in on their progress. This schedule is also listed on the back.

If you go to [shcreedsburg.org/faith-formation-2020-2/](http://shcreedsburg.org/faith-formation-2020-2/) you will find more information on all of this. Included here you will find our registration form as well as the **Expectations Guideline Acknowledgment Form**. This last page will have to be signed and returned before students are able to attend Faith Formation classes this year. If you have already paid and choose not to enroll your kids in the online program please contact us and we will refund your money.

While this year will look different we hope and pray it will be a successful year! If you have any questions please feel free to email me or give me a call.

Peace in Christ,  
Patrick Andera  
Director of Faith Formation
